

Privacy Policy – Product Page Banners by Lantera

This Privacy Policy describes how Product Page Banners by Lantera ('the App') collects, uses, and protects merchant data.

Information We Collect

The App may access store data such as products, themes, and storefront content required to display banners.

How We Use Information

We use the collected data solely to provide and improve the functionality of the App, including displaying banners on product pages.

Data Storage

We store only the data necessary to operate the App, such as banner configurations, positions, and scheduling settings.

Data Sharing

We do not sell, rent, or share merchant data with third parties.

Security

We take reasonable measures to protect merchant data from unauthorized access or disclosure.

Data Retention

We retain data only as long as necessary to provide the App services or as required by law.

Changes to This Policy

We may update this Privacy Policy from time to time. Updates will be reflected on this page.
